**PRE-STUDY BIBLE
SPECIAL
FEATURES
INCLUDE:**

Know, Grow, and Go
Looking More like God
Read Genesis 1:26-2:23

From stars and mountains to manna and giraffes, God created everything! But only people are created in his image. Only we are made to look like him—but not the color of our hair or how tall we stand. Harder, it's in the thoughts we think, the words we say, and the things we do. If you pray, read the Bible, and more you'll think, speak, and pay attention to positive people do, too, and tell the world!

Key Verse Challenge
GENESIS 1:3

Write this verse on a piece of poster board. Then sketch, paint, or doodle images that remind you of God's creation. You could make a nature scene, draw your favorite animal, or sketch a picture of someone you love. Do this on your own, or ask others to help you, and find a place to display it for all to see!

**Perfect for Kids
ages 7 to 12**

The background is a watercolor illustration. In the upper half, a large, ornate compass rose is depicted in shades of teal and blue, floating in a sky-like area. Below the compass, a white sailing ship with multiple sails is shown on a teal sea. A single white bird is in flight to the right of the ship. The overall color palette is dominated by various shades of teal, blue, and white, with some yellow and orange accents on the ship's sails.
